

## Celebrate New Beginnings at the Indian Heritage Centre's Indian New Year Open House 2026

### Description

The **Indian Heritage Centre (IHC)** is ushering in the season of new beginnings with its **Indian New Year Open House**, taking place on **18 and 19 April 2026** in the heart of Little India. This vibrant two-day celebration brings together traditions observed by Singapore's diverse Indian communities from the Tamil *Puthandu* to the Sikh *Vaisaki*, the Malayalee *Vishu*, and the Telugu and Kannada *Ugadi* through a lively weekend of performances, workshops, craft activities, food experiences and shared cultural celebrations.

Anchored by the theme of **Renewal**, this year's Open House is set to be a joyful affair with something for everyone, whether you're looking for family-friendly activities, cultural immersion, or simply a festive day out.

### What to Expect at the Open House
