Description

Ireneâ??s first solo Asia tour reaches Singapore on 4 July 2026, 6pm, at The Theatre at Mediacorp. Ticketmaster frames the stop as part of a tour that starts in Seoul, moves through Taipei and Macau, then continues to Singapore and Bangkok.

The timing is notable because Irene released her first full-length album, Biggest Fan, on 30 March 2026. For Red Velvet fans here, the show is less about a group comeback and more about seeing how her solo stage language develops after Like A Flower and the newer album cycle.

Ticket Tiers

Ticketmaster lists VIP at SGD288, Cat 1 at SGD248, Cat 2 at SGD208, Cat 3 at SGD168 and Cat 4 restricted view at SGD138, before booking fees. General sales began at 12pm on 6 May 2026 after the ReVeluv Membership pre-sale window.

VIP ticket holders get fan benefits including a send-off session and a chance to win a signed poster. Ticketmaster notes that only ticket purchases made before 24 June 2026, 11.59pm SGT, are eligible for the draw for those fan benefits.

Who Should Track It

This is a theatre-scale solo stop, so the value is in stage detail and fan proximity rather than stadium spectacle. Fans comparing categories should decide whether the fan-benefit chance matters more than seat location.
