The **Pistachio Crunch Sundae** starts with Jollibee's signature smooth vanilla soft-serve, known for its creamy and light texture. It is then generously topped with rich **pistachio sauce**, offering a subtle nutty sweetness that complements the soft serve perfectly. To elevate the experience, the sundae is finished with **crunchy hazelnut bits**, adding texture and contrast in every bite.

What makes this dessert stand out is its balance of flavours – not overly sweet, yet indulgent enough to satisfy dessert cravings. Whether you're enjoying it as an after-meal treat, a mid-day pick-me-up, or a cool indulgence during Singapore's warm weather, the Pistachio Crunch Sundae delivers a refreshing and satisfying experience.

Priced affordably at around **S\$3**, the Pistachio Crunch Sundae is a wallet-friendly option for anyone looking to try something new without splurging. The dessert is available at **participating Jollibee outlets across Singapore**, while stocks last. As with most limited-time Jollibee creations, availability may vary by location, so fans are encouraged to grab one early before it disappears from the menu.

If you're a fan of pistachio-flavoured desserts or simply enjoy discovering new seasonal treats, this limited-edition sundae is definitely worth a try before December comes to an end.
