

## KANTIN At Jewel: Borneo-Inspired Dining On Level 5

### Description

KANTIN gives Jewel Changi Airport a more unusual dining angle: Borneo- and Sarawak-inspired food on Level 5. Jewel lists the restaurant at #05-206/207, with weekday hours from 10am to 11pm and weekend hours from 10am to midnight.

That timing makes it useful for late dinners, airport-adjacent meetups and visitors already exploring Canopy Park or the upper levels of Jewel.

### What To Expect

The restaurant positioning leans into Borneo rainforest culture rather than a generic airport menu. Jewel's listing points to Sarawak and Dayak-inspired dishes, with menu names such as Sarawak Laksa, Rainforest Fried Rice, Jungle Omelette, Salmon Island and Headhunter Pansuh Set.

For more Changi and mall dining finds, follow our [Food & Drinks](#) section.

- Location: Jewel Changi Airport #05-206/207.
- Monday to Friday: 10am to 11pm.
- Saturday and Sunday: 10am to midnight.
- Cuisine angle: Borneo, Sarawak and rainforest-inspired dishes and drinks.

KANTIN brings a Borneo rainforest-inspired restaurant setting to Jewel.

## Best Use Case

KANTIN is most useful when a group wants something more distinctive than standard mall fare but still needs the convenience of Jewel. The Level 5 location also makes it a natural pairing with Jewel's upper-level attractions.

Families should scan the menu first if younger diners are picky, because the concept is more characterful than a default pasta or burger stop.

## Planning Notes

The late weekend hours are a real advantage for airport arrivals and post-movie meals. If you are heading down after 9pm, check the last-order timing directly with the restaurant because mall listings can show operating hours without kitchen cutoff details.

For first-timers, start with the signature Sarawak and Dayak-inspired dishes rather than treating KANTIN like a generic cafe. That is where the concept earns its place in Jewel.
