If you love bold, fiery flavours, youâ??re in for a treat. **KFC Singapore** has teamed up with **Samyang** to bring the wildly popular Buldak Carbonara flavour to its menu â?? and the star of the show is the **Samyang Buldak Carbonara Double Down**, available from **8 April to 19 May 2026** at all KFC outlets islandwide.

The collaboration fuses KFCâ??s signature crispy chicken with the cult-favourite Korean ramyeon flavour that has taken the internet by storm. Whether youâ??re a spice lover or just curious about the hype, hereâ??s everything you need to know.

Samyang Buldak Carbonara Double Down â?? The Headliner

The centrepiece of this limited-time menu is the **Samyang Buldak Carbonara Double Down** (from $8.70). Think luscious Samyang Buldak Carbonara noodles sandwiched between two crispy, succulent Zinger fillets â?? no bun, just pure indulgence. Itâ??s creamy, itâ??s spicy, and itâ??s the kind of over-the-top creation that KFC does best.

For those who prefer something a little more traditional, the **Samyang Buldak Carbonara Chicken Meal** pairs KFCâ??s beloved Hot & Crispy Chicken with the rich, fiery Samyang Carbonara sauce drizzled on top. Same bold flavour, slightly more familiar format.

The KFC x Samyang Buldak Carbonara lineup is available at all outlets from 8 April to 19 May 2026.

Sides Worth Adding to Your Order

It wouldnâ??t be a proper KFC collab without some tasty sides. The **Samyang Buldak Carbonara Loaded Fries** (from $5.95) are perfect for sharing â?? golden fries topped with that addictive creamy-spicy Carbonara sauce. And for dessert, the **Strawberry Cream Cheese Mochi** (from $3.80 for two pieces) offers a sweet, chewy finish that balances out all that heat.
