Why Buy Now

The June school holidays run from 30 May to 28 June 2026. Indoor air-conditioned family options thin out quickly once that window starts.

At half price, the KidZania day works out around the cost of two cinema tickets plus popcorn â?? except the kids get four hours of role-play and you get an air-conditioned lounge.

What Kids Do At KidZania

The park is built around 60-plus role-play establishments. Kids pick jobs â?? pilot, firefighter, baker, dentist, mechanic â?? and earn KidZos they can spend or save in-park. Each activity runs about 20 to 30 minutes.

Older kids run their own day. Parents lepak in the parentsâ?? lounge.
