Four Years of Affordable Urban Wellness

KINN Habitat is the flagship property of KINN Hospitality Concepts, a Singapore-born hospitality brand built on the belief that rest, recharge and reconnection should be accessible to everyone. The hotel

combines 120 premium capsule accommodations across 15 dormitories with eight private Cosy Rooms, all designed to help guests slow down and find a reset in the middle of city life.

Each capsule comes equipped with a 5-star hotel-grade super single mattress, blackout roller blinds, digital-lock locker, and USB charging ports – everything you need and nothing you don't. For guests who prefer more privacy, the Cosy Rooms offer natural light, a smart TV, mini fridge and all the usual conveniences of a well-appointed hotel stay.

KINN 4 You: A Month of Wellness Programming

To celebrate its fourth anniversary, KINN Habitat is running **KINN 4 You**, a month-long programme centred on accessible wellness. The highlight is **Find Your Reset**, an afternoon open house on **Saturday, 4 July 2026**, from 2pm to 6pm.

The event brings together a curated lineup of local wellness brands, artists and creators for a series of interactive experiences. Guests can look forward to a scent-blending workshop by POSTCARD, personalised floral arrangements with Bliss Flower, live portrait sittings by sliceofwhit, and wellness supplement sampling from Moom. There will also be capsule room installations inspired by different traveller personalities, and DJ Dee spinning sets throughout the afternoon.

Complimentary drinks from brwd / KINN's refreshed Balanced Indulgence menu will be served, along with goodie bags featuring products and vouchers from participating partners.
