The launch took place at the Mandarin Oriental, just like the HONOR Magic V2 event over six months ago.

The HONOR Magic V3 is the worldâ??s thinnest foldable phone at 9.2mm, which makes it especially appealingâ??no one wants to carry a bulky device around. Itâ??s nearly as slim as a regular bar phone, and when unfolded, it offers double the screen size of a typical phone.

Next up was a speech from HONORâ??s Country Director, Mr. Vincent Sun. Fun fact: he shares the same surname as me! When they called â??å?æ?»â?• up on stage, I almost stood upâ??just kidding!

The evening included a magical performance by Kai Emmanuel, which added a fun touch to the event.
