

Le Creuset and Universal Traveller hold weekend sales at Suntec until 25 October

Description

Two brand sales share Suntec Singapore Convention and Exhibition Centre this weekend, one for the kitchen and one for the suitcase. Le Creuset's family sale and Universal Traveller's winter wear and luggage sale both run until Sunday (25 October), and two more shows on Level 4 make the trip worth a longer stop on Saturday.

Le Creuset family sale, Room 334

Le Creuset's sale covers its enamelled cast iron and stoneware, with markdowns across Dutch ovens, casseroles, baking dishes, mugs and kitchen accessories. This is the brand's own clearance format, so the range leans towards its core cookware rather than a single hero piece.

- Dates: Friday 23 to Sunday 25 October
- Hours: 10.30am to 7pm on Friday and Saturday, 10.30am to 6pm on Sunday
- Venue: Room 334, Suntec Singapore Convention and Exhibition Centre

Universal Traveller winter wear and luggage sale, Level 3

Universal Traveller runs this sale several times a year, timed for peak travel seasons, and the October edition lands ahead of the December holidays. The range takes in luggage, winter wear and travel accessories.

- Dates: Friday 23 to Sunday 25 October
- Hours: 10am to 10pm daily
- Venue: Level 3 Concourse, Suntec Singapore Convention and Exhibition Centre

The fair covers the retailer's own house luggage lines, Airways, Terminal and URBANlite, and outerwear split into down jackets, padded jackets, winter coats and wind jackets. The late closing time makes this the easier of the two sales to fit in after dinner on Saturday.

Also on at Suntec this weekend

Food Japan 2026, a showcase of Japanese food and drink brands in Hall 404, opens to the public on Saturday (24 October) only, after two trade-only days. It closes at 4.30pm.

Namaste Bharat, in Hall 405, mixes Indian crafts, couture, organic goods and food with performances and dance workshops, and opens from 10am. Both halls are on Level 4, one floor above the Universal Traveller sale.
