If youâ??re planning to visit, here are a few tips to make the most of your trip:

- **Go early.** The best pieces tend to sell out quickly, especially on the first day. If youâ??re reading this on Saturday, arrive when doors open at 10:30 AM for the widest selection.
- **Know what you want.** Le Creusetâ??s range is extensive. Have a shortlist of items youâ??re after â?? whether itâ??s a Dutch oven, a set of ramekins, or their stainless steel collection â?? so you donâ??t get overwhelmed.
- **Check for seconds.** Family Sales often include factory seconds (items with minor cosmetic imperfections) at even deeper discounts. These are perfectly functional and a fantastic bargain.
- **Bring a bag or trolley.** Cast iron cookware is heavy. A sturdy shopping bag or small trolley will save your arms on the way home.
- **Sunday has shorter hours.** The sale closes at 6:00 PM on Sunday (12 April), an hour earlier than Friday and Saturday, so plan accordingly.
