

Legally Blonde Singapore 2026: Esplanade Dates And Ticket Prices

Description

Singapore Repertory Theatre’s new production of [Legally Blonde – The Musical](#) runs at Esplanade Theatre from 29 July to 16 August 2026. West End performer Nathania Ong, known for Les Misérables and Hamilton, takes the role of Elle Woods.

The musical follows Elle from a relationship setback into Harvard Law School, where the search for approval becomes a larger story about confidence, friendship and ambition. It is performed in English and carries an Advisory 16 notice for some mature content.

Dates And Prices

Evening and matinee performances are spread across the run. Preview shows on 29 and 30 July have lower category prices, while Friday and Saturday evening peak performances cost more. Standard pricing begins at S\$30 for restricted-view seats and reaches S\$228 for peak VIP tickets before applicable fees.

The official listing recommends the show for ages 12 and above. Admission is for patrons aged six and older, and every attendee needs a ticket.

- Run: 29 July to 16 August 2026.
- Venue: Esplanade Theatre.
- Published ticket range: S\$30 to S\$228, depending on performance and category.

Choosing A Performance

Preview dates offer the lowest published prices in several categories, while matinees may suit families and public-transport planning. Restricted-view tickets can trade price for a partially obstructed sightline, so examine the seating plan before payment.

Allow time for ticket scanning and theatre entry. Late seating is governed by the venue's performance policy and may mean waiting for a suitable break.

- Match the price table to the exact date and time.
- Check the seat-view notation before buying.
- Keep the ticket accessible offline on arrival.

Planning The Esplanade Visit

Esplanade MRT gives the closest direct rail connection, while City Hall offers a sheltered walking route through the underground network. National Day rehearsal road closures may affect the surrounding Marina Bay area on selected dates.
