Suntec Cityâ??s free LEGO F1 race challenges run to 18 October, with prizes for kids aged 4 to 12

Description

default watermark

Suntec City is running F1 LEGO Experience the Thrill, a free LEGO and Formula 1 event for families, in the Atrium at Towers 3 and 4 until Sunday 18 October 2026. It is open daily from 11am to 9.30pm, with last entry at 9pm, and forms part of this yearâ??s Grand Prix Season Singapore programme.

Entry is free. Children and adults who want to try the challenges register for a LEGO F1 Race Pass, collect a mission card at the atrium and complete three of the four missions to claim a prize, while stocks last. Participants aged 4 to 12 receive a LEGO Steering Wheel, and those aged 13 and above get a LEGO voucher.

Four missions on the race floor

The Gear-up Zone is a building test. Participants study an F1 car steering wheel, then have 30 seconds to put its components back in the correct positions.

The Sprint Zone tests reaction time against a sequence of red race-start lights, with players hitting a button at the right moment. The three fastest reaction times win LEGO F1 sets.

In the Speed Zone, players take a virtual drive on a touch screen and finish the game to earn the station stamp. The Victory Zone is a podium moment: a victory pose next to LEGO F1 Racer Minifigures, captured digitally for sharing on social media.

A life-sized car and a community mosaic

The centrepiece is a life-sized VCARB F1 LEGO Big Build, made with more than 400,000 LEGO elements. The Ultimate Brick Prix photo spot adds a 3m by 2m mosaic wall, which STB describes as Singaporeâ??s largest LEGO race-themed mosaic. It was put together by Adult LEGO Fans and members of the public in a guided community building activity.

The hunt carries on beyond the atrium. Ten life-sized LEGO F1 Racer Minifigures are placed around Suntec City for a Minifigure Hunt with prizes, alongside more LEGO F1 photo spots across the mall.

A LEGO Certified Store (Bricks World) retail pop-up sells F1 LEGO sets and opens daily from 10.30am to 9.30pm. Deals include up to 25% off selected LEGO F1 sets, bundle savings of up to 20% on LEGO Speed Champions sets and gifts with purchase such as the LEGO Brick Sling Bag, while stocks last.

Suntec City is at 3 Temasek Boulevard, and the mall is open daily from 10am to 10pm. On Saturdays, Sundays and public holidays, Suntec+ members who spend S$80 in a single same-day transaction get four hours of free parking, with limited redemptions each day.
