

Four mall rewards drives run this weekend, led by Far East Mallsâ?? 1 million SFE\$ draw

Description

Four Singapore mall rewards drives are running this weekend, and the biggest prize pool is at [Far East Malls](#), which is giving away 1 million SFE\$ in weekly draws to mark 10 years of its shopFarEast app. Paya Lebar Quarter, AMK Hub and The Centrepont have their own spend-and-redeem offers running into late October and November. Each one needs the mallâ??s free loyalty app.

Far East Malls: 1 million SFE\$ and 10X points

Every receipt of at least S\$50 uploaded to the shopFarEast app between 1 and 25 October earns one chance in the 1 million SFE\$ draw, up to five chances a receipt. Winners are picked every Friday from 9 to 30 October, and receipts that miss one week roll into the next draw.

From 15 to 18 October, a single receipt of S\$100 or more earns 10 times the usual SFE\$, which is normally 1 SFE\$ for every S\$1 spent. Supermarket and education centre receipts are excluded, and bonus points are capped at 2,000 SFE\$ a member a day across all Far East malls. New members who sign up with the code SFE10ANNI get S\$5 off their first purchase.

Hougang 1 has a Spin the Wheel booth beside the Level 1 escalator from 9 to 11 October, 12pm to 9pm, and One Holland Village has one from 16 to 18 October. A minimum spend applies.

Paya Lebar Quarter: Plus\$ for its 7th anniversary

[Paya Lebar Quarter](#)'s Cheers To More runs to 1 November for Lendlease Plus members. A spend of S\$180, across up to three same-day receipts, earns 10,000 Plus\$, and a further 5,000 Plus\$ is added if one of those receipts is at least S\$10 at a participating gift and lifestyle store. FairPrice Finest receipts count at half value, and each reward is limited to the first 5,000 redemptions.

In the app, 500 Plus\$ buys a S\$5 e-voucher at PLQ Parkside restaurants, valid from 11.30am to 2.30pm. Every Friday in October at 12pm, 1,000 Plus\$ buys a S\$10 retailer e-voucher, which needs a S\$15 spend to use one or S\$30 to use two. The next Friday drop is on 16 October.

AMK Hub: a spin wheel and bath towels

[AMK Hub](#)'s Play Your Colour runs from 5 October to 15 November for L Privileges members. A S\$30 single receipt, FairPrice Xtra included, earns one turn on the Colour Spin Wheel at the Level 2 Customer Service Counter, and every spin wins a tenant deal or a mall e-voucher. It is one spin a day, for the first 4,000 redemptions.

A single receipt of S\$150 or S\$300, supermarkets included, gets an Epitex Epinova cotton bath towel, with a new colour each week and a limit of two a shopper. On weekdays from 2pm to 5pm, a S\$20 receipt outside the supermarkets earns 4,000 L Privileges Points for the first 1,000 shoppers. The first 400 new members who sign up with the code AMKOCT get a box of six Eu Yan Sang Chicken Essence.

The Centrepont: FRx gift cards and a quiz

[The Centrepont](#)â??s Whatâ??s Your Receiptality? pays FRx Gift Cards on a ladder until 31 October. A S\$120 single receipt at a participating store earns S\$10 on the first visit, S\$20 on the second and S\$30 on the third, each on a different day. The S\$10 tier was fully redeemed on 5 October at 2.10pm, and each tier depends on qualifying for the one before. Redemption is at the Level 3 Concierge.

From today to 11 November, shoppers can take the mallâ??s Receiptality quiz for a reward matched to one of six shopping personas. Through 31 October, 100 FRx Points also buy a S\$5 e-voucher at participating restaurants and cafes in the mall.
