

Mandai Discover Our Starsâ?? Personalities runs 5 September to 1 November across five parks

Description

[Mandai Wildlife Reserve](#) is running Discover Our Starsâ?? Personalities from 5 September to 1 November 2026 across its five wildlife parks.

The trail covers Singapore Zoo, River Wonders, Night Safari, Rainforest Wild Adventure and Bird Paradise. It is built around 25 named animal stars, not a Mid-Autumn lantern night.

What the programme is

Mandai frames the 25 stars as animals with distinct personalities. Visitors move park to park for encounters, keeper stories and short experiences tied to each animal rather than a single evening show.

A personality quiz on the Stars of Mandai page sorts you into one of five groups: The Bosses, The Entertainers, The Nurturers, The Free Spirits or The Social Butterflies. Each group is linked to five of the park stars.

Autograph trail and Wall of Fame

The Stars of Mandai Autograph Trail runs 5 to 13 September through the September school holidays, then weekends only from 19 September to 1 November, during each attraction's operating hours.

You redeem an Autograph Card at Mandai Wildlife EAST near Guest Services (8.30am to 5pm and 7pm to 11pm) or Mandai Wildlife WEST near Unpackt (9am to 6pm). Collect five autographs at any one park for a handphone strap and blind box keycharm while stocks last. Friends of Mandai members can redeem a Manatee charm with their e-card.

Wall of Fame displays sit at East Plaza in Mandai Wildlife EAST and at the Bird Paradise entrance in Mandai Wildlife WEST, with the full cast of 25 stars in one lineup.

A few of the named stars

Singapore Zoo still leads with Ah Meng's legacy line. River Wonders names Canola. Night Safari's Neha is the small-and-loud fruit fan. Bird Paradise's Arlo treats ice like furniture. Rainforest Wild Adventure's Kisala is the gentle trust-builder. Each park page on Mandai lists more names, from Simba and Jubilee at the Zoo to Radin at Night Safari and Zane at Bird Paradise.

Spotlight: Stars of Mandai, covering 11 Singapore-born stars, is also streaming on Mediacorp Channel 5, meWatch and YouTube if you want faces before you walk the parks.

Park tickets and hours sit on each attraction's Mandai page. The personalities programme itself runs through 1 November 2026.
