

Mandai Kids Enter Free: S\$44 Zoo and S\$50 Rainforest Wild Adventure bundles on sale until 4 October

Description

One child enters Singapore Zoo or Rainforest Wild Adventure free with each paying adult under a Children's Day bundle from [Mandai Wildlife Reserve](#), on sale until Sunday 4 October 2026. The 1 Adult + 1 Child ticket costs S\$44 at Singapore Zoo, against a usual S\$74, and S\$50 at Rainforest Wild Adventure, against a usual S\$85.

The Mandai Kids Enter Free bundle went on sale on 29 September and runs for six days only. Tickets bought in that window are good for visits from Friday 2 October, Children's Day itself, to Sunday 18 October. That covers this weekend and the two after it.

What the bundle saves

At Singapore Zoo the saving is S\$30 on the usual price for one adult and one child. At Rainforest Wild Adventure it is S\$35. Each bundle pairs one adult with one child, and tickets are sold online through the bundles and promotions section of Mandai's ticketing site at buy.mandai.com.

Children below the age of three already enter Mandai's parks free when accompanied by an adult above 21 holding an admission ticket to the same park. The bundle makes the most difference for families with children from three upwards, who would otherwise need a paid child ticket. The deal applies to those two parks only, not to Night Safari, River Wonders or Bird Paradise.

Singapore Zoo

Singapore Zoo is at 80 Mandai Lake Road and opens daily from 8.30am to 6pm, with last entry at 5pm. It is home to more than 4,200 animals, and its open-concept layout lets visitors see free-ranging orangutans swinging through the trees. The day also has animal presentations with trainers, keeper talks, hand-feeding sessions for giraffes and elephants, and the Pack Walk with animals and their trainers.

KidzWorld, home of the Ranger Buddies, has up-close animal interactions and Splish Splash, a wet play zone built as a changing maze of water. The African Penguin exhibit is closed for upgrading works from 31 August to 30 November 2026, which covers the whole of the bundle's visit window.

Rainforest Wild Adventure

Rainforest Wild Adventure opens daily from 9am to 6pm, with last entry at 5pm. The park is home to 58 animal species, split across two themed zones, EAST and WEST. Visitors can start at either zone and

move between them on the M1 or M2 bus or along the walking and cycling path.

A single admission includes up to five Adventure+ activities, among them the Canopy Glider ride over the forest.

Getting there on 2 and 11 October

Mandai asks visitors to arrive by public transport or its shuttle service on Friday 2 October and again on Sunday 11 October, two of the dates inside the bundle's visit window. Singapore Zoo is served by the Mandai Khatib Bus, and Rainforest Wild Adventure by the M2 Khatib bus.
