

Mandai Wild Architects: June Holiday ZooSchool Camp For Ages 7 To 10

Description

Mandai ZooSchool's Wild Architects camp is aimed at children who are curious about animals, habitats and how spaces are built around wildlife needs.

The June 2026 programme is a three-day day camp for ages 7 to 10, running from 9am to 5pm daily at Singapore Zoo. The listed fee is S\$520 per child, including admission and meals.

Dates, Age And Fee

- Age group: 7 to 10 years old.
- Time: 9am to 5pm daily.
- Camp windows: 8 to 10 June 2026 and 24 to 26 June 2026.
- Fee: S\$520 per person, including admission and meals.
- Programme page: [ZooSchool Wild Architects](#).

What Children Do

Mandai lists visits and activities across Amazon Flooded Forest, RepTopia, Houbii Rope Course, Animal Engagement at River Wonders, Orangutan Island Tour, Once Upon A River, Fragile Forest and KidzWorld waterplay.

The core learning thread is habitat design. Children explore different animal environments and build eco-friendly habitats using recyclable materials, so the camp has a making-and-design component rather than being only a zoo tour.

Parent Notes

The fee includes meals, and Mandai notes that meals are sourced from halal-certified suppliers and are pork-and-lard-free. Bookings are first-come, first-served.

Because this is a full-day camp over three consecutive days, parents should consider transport, sun protection, spare clothes for waterplay and whether the child is comfortable spending a long day without a parent onsite.
