What Is the Marguerite Event Showcase?

This is a one-day open house designed specifically for those planning their next event — from corporate dinners and VIP client entertaining to private parties and weddings. Hosted jointly by the restaurants Marguerite and Hortus (both situated within the Flower Dome), the showcase gives guests a rare opportunity to tour both venues, consult directly with the events team, and explore how these spaces can be transformed for all manner of occasions.

Couples, in particular, are invited to explore the potential of Marguerite and Hortus as wedding venues — an increasingly popular alternative to the traditional hotel ballroom. Entry is **free**, and while RSVP is recommended to secure a consultation slot, walk-ins are welcome on a first-come, first-served basis.

What to Expect on the Day

The showcase is designed as an interactive journey through both venues. Visitors will be able to tour the Marguerite dining room, experience a solemnisation set-up at the **Olive Grove in Hortus**, and meet curated event vendors on-site for personalised consultations. Those who confirm bookings on the day will receive a **20% discount** from participating vendors, along with **exclusive venue pricing** secured in consultation with the Marguerite and Hortus events team.

Throughout the day, guests can also enjoy a **live two-piece band**, sample wedding cakes, participate in lucky draws, and collect door gifts. To make getting there effortless, there will be a **complimentary buggy service** to and from the main entrance of Gardens by the Bay, along with complimentary Flower Dome entry – so you can make a full leisurely morning or afternoon of it.

Why Garden Weddings Are Having a Moment

There's a noticeable shift happening in Singapore's wedding scene. Couples are moving away from grand banquet-hall weddings and gravitating towards more intimate, personal celebrations — ones where the setting itself tells a story. Smaller guest lists make room for thoughtful details, meaningful menus, and the kind of atmosphere you can't manufacture in a ballroom. Marguerite and Hortus, nestled within the Flower Dome's lush Mediterranean gardens, offer exactly this: a space that feels elegant but never stiff, relaxed but never casual, and thoroughly unlike anything else in Singapore.
