10% Off Storewide, No Minimum Spend

From 1 to 31 October 2026, every customer at mc.2's showroom enjoys 10% off storewide with no minimum spend required. The discount applies across the brand's full range of window solutions, balcony solutions, flooring and more, spanning names such as Hunter Douglas, Somfy, Renson, Harlequin, Casadeco, Camengo, Louvolite, Sangetsu and TOSO Japan.

Spend S\$3,000, Spin to Win

Shoppers who spend S\$3,000 or more in a single transaction get one guaranteed spin of the wheel, with the reward applied immediately to their purchase. Every spin lands on a prize, ranging from cash vouchers of up to S\$888 off, to a complimentary smart home upgrade such as the Somfy TaHoma smart home system, the Somfy Ondeis Rain Sensor, or the Hunter Douglas PowerView PV3 Motor and Hub. There is also a free upgrade to MAGNAZip+ up for grabs.

MAGNAZip+: Built for Singapore's Climate

mc2's star product, the MAGNAZip+ zipblind, is designed with Singapore's high-rise living and unpredictable weather in mind. It offers wider coverage, added structural resilience, and protection against dust, insects, rain and strong winds, backed by an eight-year warranty covering parts and labour.

Smarter Homes, Automated

The smart home upgrades on offer give homeowners more hands-off control over their spaces. The Somfy TaHoma system lets users schedule and automate compatible motorised blinds through an app, while its rain sensor automatically activates outdoor blinds when it detects rainfall, even when no one's home. Hunter Douglas's PowerView PV3 Motor and Hub similarly bring app-based and voice-enabled automation to compatible window coverings.

The promotion runs from 1 to 31 October 2026, subject to availability and terms and conditions.
