McDonaldâ??s Singaporeâ??s new McCrispy Fried Chicken goes on an in-store offer from Thursday, 5 November: the two-piece McCrispy Fried Chicken is S$7.95 until 25 November.

The chicken comes in Spicy and Signature. McDonaldâ??s pitches the new recipe on more crunch outside and more juice inside, with a spicier kick on the Spicy version. Both are sold as two or three pieces, or in a six-piece box meant for sharing.

Before the launch, McDonaldâ??s held Bite Club, a preview tasting on 30 and 31 October for MyM Rewards members who redeemed 2,500 points in the app for an invite admitting two people.

The S$7.95 offer

The S$7.95 price covers the two-piece McCrispy Fried Chicken, and it runs in stores only, from 5 to 25 November. McDonaldâ??s pictures the offer with fries and a Sprite.

Fried chicken at McDonaldâ??s is an after-breakfast item, so the earliest you can order it is when the breakfast menu ends. It is sold while stocks last.

Coleslaw and crinkle cut fries

Two sides arrive with the chicken. Coleslaw is the first McDonaldâ??s Singapore has ever sold, crunchy and creamy and made to sit next to fried chicken. Crinkle Cut Fries are a ridged take on the regular fries, with a fuller, crispier bite.

Spicy Chicken McNuggets are back as well, in six, nine and 20-piece portions. For dessert, the Hersheyâ??s Cone tops vanilla soft serve with Hersheyâ??s chocolate, and the Twist Cone swirls the two together. The Hersheyâ??s Cone is sold all day at Dessert Kiosks and participating restaurants.
