About Singapore Flyer

Singapore Flyer is one of the most iconic landmarks in Singapore, offering a magnificent view of the idyllic Marina Bay and the Garden City from 165 metres above. The scenic flight aboard one of the world's largest observation wheels also offer an interactive in-capsule virtual tour of Singapore and an array of premium experiences – from premium champagne and Singapore Sling to private capsule packages and an exquisite dinner at Singapore's tallest revolving dining experience, 165 Sky Dining by Singapore Flyer.

Complementing the giant observation wheel is Time Capsule, which introduces the storied past and bold aspirations of Singapore through an immersive adventure guided by R65, a time-travelling robot. Weaving together elaborate scenography designs and curated edutainment content, the two-storey, multisensorial attraction serves as a prelude to the Singapore Flyer flight that showcases the inspiring transformation of Singapore into a thriving global metropolis.

Singapore Flyer was acquired by Straco Corporation Limited in November 2014 through Straco Leisure Pte Ltd, a joint venture between Bay Attractions Pte Ltd, a wholly-owned subsidiary of Straco Corporation Limited and WTS Leisure Pte Ltd. Singapore Flyer is Straco Corporation's flagship project in Singapore. For more information, please visit www.singaporeflyer.com.
