Combining powerful cleaning abilities, cordless convenience, and multifunctional brilliance to simplify your cleaning routine even on the busiest days

Break away from the chaos of tangled cords and welcome the magic of cordless convenience with SHARPâ??s Cordless Stick Vacuum, EC-SA95S-R. Like its intense red color, the EC-SA95S-R boasts a robust suction and cleaning capability that effortlessly tackles dust and debris. Packed with power and lightweight portability, the vacuum seamlessly blends efficiency and comfort, making daily cleaning a breeze even for busy homeowners.

Eliminates Up To 99% of Airborne Dust Particles

The vacuum features multi cyclone filtration system combined with a 0.3Î¼m HEPA filter. Utilizing a series of cyclones that captures smaller and smaller specks of particles with every layer, till there is nothing but a breeze of pristine, purified air throughout the home. The system also includes a set of spiral chambers that generate powerful vortexes of air to skillfully trap dust and dirt within the dustbin.

User-Centric Design That Prioritizes Comfort and Efficiency

Weighing a mere 1.46kg, SHARPâ??s vacuum lightweight build provides unmatched ease of use. Its 60-degree handle design makes it easy to control and navigate in various directions, offering users a comfortable grip that minimizes strain on the arms during extended cleaning sessions. This intentional ergonomic design enhances efficiency and convenience and helps turn cleaning into an effortless task.

In addition to its sleek handle design, the vacuum puts the control right into the userâ??s hands with buttons strategically placed on the handle. This design allows users to seamlessly control the start,

stop, and toggle between high and low gears during operation. The battery indicator light is also positioned at the handle so users can easily monitor the charging status.

Multi-Functional 9-In-1 Cleaning Solution

Embrace the power of 9-in-1 functions accessories conveniently packed into 1 device with SHARPâ??s cordless stick vacuum. To cater to diverse cleaning needs, each accessory is designed for a specific function:

- Motorised Floor Brush: Thoroughly cleans short wool carpets and hard or tiled floor surfaces
