

Momentary Pulses: SAM Public Art In Singaporeâ??s CBD Runs Till 2027

Description

default watermark

Momentary Pulses places Singapore Art Museum public artworks in the Central Business District from 30 January 2026 to 31 December 2027, giving office workers and weekend walkers a slower way to read the city.

Why It Works For Busy Readers

This is not a destination exhibition in the usual sense. It is the kind of art you can fold into a lunch walk, an after-work detour or a slow weekend route around the city.

Planning Notes

Check the artwork locations before heading out and build a route around MRT stations, cafes or errands. Public art can be easy to miss if you are rushing.

Artwork details are on SAMâ??s Momentary Pulses page.
