Signature Corner room. Photo: Mondrian Singapore Duxton

[Mondrian Singapore Duxton](#) is selling a Staycation package for stays until 31 December 2026: up to 15 per cent off, daily breakfast for two, a S\$50 Christmas dining credit, Sentosa attraction tickets for two, and late checkout at 4pm subject to availability.

Booking and stay windows on the hotel page both run from 3 October 2025 to 31 December 2026.

What the rate includes

The discount sits on the best available rate for Signature rooms through Signature Corner rooms. Suites are out. Guests pick one of five participating Sentosa attractions for two tickets, arranged at the front desk on check-in day.

Breakfast for two is daily. The S\$50 Christina's credit is for dine-in during the stay, non-transferable and not stackable with other promotions. A separate 20 per cent dine-in discount at Christina's also sits on the offer sheet, again with selected items excluded.

Late checkout at 4pm is subject to availability. Overnight parking can be provided for the stay. Prices are in Singapore dollars before 10 per cent service charge and prevailing taxes.

How to book

Book at least two days ahead for up to three nights in the eligible Signature categories. Full prepayment is required at booking. The reservation is non-cancellable and non-amendable, and the card used to book must be presented on arrival.

The offer does not combine with other promotions, privileges, discounts or vouchers. Rooms are subject to availability and blackout dates may apply. Book through mondrianhotels.com on the Mondrian Singapore Duxton Staycation page.
