Why this deal is worth bookmarking

The JUMBO Group rarely runs 1-for-1 on its hero items. Chilli crab is normally one of the higher-ticket orders in any Singapore seafood restaurant, and the sliced fried mantou pairing is one of the most-Googleed photo orders for tourists and locals alike.

Splitting the bill with three or four friends and stacking the 1-for-1 across the table is the value play. Pair with cereal prawns and Hokkien mee from the regular menu.

Lock in Mutiara before 30 June 2026 â?? this kind of 1-for-1 on a signature dish does not come around often.
