

Novelbright Singapore 2026: PYRAMID Tour Ticket And VIP Notes

Description

default watermark

Novelbright Singapore 2026 brings the Japanese bandâ??s ASIA TOUR 2026 PYRAMID to Capitol Theatre on 18 August. This is a theatre stop, so expect a more direct live-band atmosphere than a festival stage or arena fan event.

Novelbrightâ??s appeal is built around melodic Japanese rock, big vocal lines and emotional choruses. For Singapore fans who follow J-rock through anime playlists, streaming algorithms or Japan concert clips, this is a chance to see the band in a seated city-centre venue rather than flying to Japan for a tour date.

Show Details

- Date: Tuesday, 18 August 2026.
- Venue: Capitol Theatre.
- Ticketing route: Ticketmaster Singapore via Live Nation Singapore.
- VIP package includes one CAT 1 standing ticket, a 1:1 photo opportunity with Novelbright and early entry into the venue.

Who Should Consider It

This is best for fans who care about vocals and band performance more than elaborate arena staging. Capitol Theatreâ??s scale means the sound and sightlines should feel closer than a large hall, especially for people who want to hear the live arrangements clearly.

Practical Notes

Capitol Theatre is near City Hall MRT, with food and drink options around Capitol Singapore, CHIJMES and Raffles City. If you are buying VIP, check arrival instructions carefully because photo opportunities and early entry usually require earlier reporting than the printed show time.

Use the Live Nation Singapore Novelbright page for ticketing and VIP updates.
