

## NParks Nature Keeper Camp lists Bukit Timah canopy session on 11 September

### Description

NParks is still listing a Nature Keeper Camp session at Bukit Timah Nature Reserve Visitor Centre on 11 September 2026 for ages 7 to 10, priced at S\$22.90. The remaining school-holiday run focuses on the canopy layer after the 9 September rainforest introduction.

## What the morning covers

The Nature Keeper Programme is framed as outdoor education in Singapore's rainforest, with nature walks, themed games, classroom learning and hands-on activities. Little Day Out, pointing to NParks registration, lists two September holiday runs: Introduction to Rainforests on 9 September and The Canopy Layer on 11 September, each from 8.30am to 12.30pm.

With 9 September already under way, the open date for families still planning is Friday 11 September 2026. The venue is the Bukit Timah Nature Reserve Visitor Centre at the end of Hindhede Drive, near Beauty World MRT.

## Age, fee and booking

The age band is 7 to 10. The listed fee is S\$22.90 per child. Registration is through NParks events pages for the Nature Keeper Programme; places can fill before the day, so the booking link is the check that matters more than a brochure reprint.

Bukit Timah Nature Reserve itself opens 7am to 7pm. The camp is a ticketed programme, not a free drop-in walk on the hill.

The remaining Nature Keeper Camp date at Bukit Timah Nature Reserve Visitor Centre is 11 September 2026, 8.30am to 12.30pm, for ages 7 to 10 at S\$22.90.
