How it differs from the weekend fair

Saturday, 26 September, hosts the separate NUS Postgraduate Fair at University Townâ??s Stephen Riady Centre. Mondayâ??s festival is the industry-and-AI learning day on the Kent Ridge campus, not a repeat of the postgraduate booths.

Registration and getting there

Registration and session details sit on the festival microsite, with technical queries directed to the GEVME support contact listed there and general enquiries to ask.scale@nus.edu.sg.

Kent Ridge MRT (CC24) is the campus rail stop for Mondayâ??s programme.
