What the pre-order period adds

OPPO's [Singapore release](#) sets out three extras on pre-order day:

- A trade-in bonus of up to S\$250 on selected models
- Buy now, pay later offers of up to S\$100 through Grab's PayLater and Atome
- A further S\$100 off for applicants selected for the OPPO Creator Programme

Buyers who paid the S\$100 deposit between 8 October and 9.30am on 22 October, and complete payment during pre-orders, also get a warranty package worth S\$310: one year on the lenses, one year on the back cover and two years on the battery.

HardwareZone reported a S\$2,199 retail price for the 512GB Find X10 Pro Max. OPPO's store shows pre-order pricing once orders open at 10am.

The cameras

OPPO bills the Find X10 Pro Max as the industry's first phone with three 200MP rear cameras, covering the ultra-wide, main and telephoto lenses, all co-developed with Hasselblad. All three record 4K at 120fps and 8K at 30fps. The Find X10 has two 200MP cameras with the same video options.

Both phones add Open Gate Capture, which records the full sensor area so footage can be cropped later for wide or vertical formats.

The Find X10 Pro Max comes in Titanium Grey and Luna White. The Find X10 comes in Glacier Blue and Mist Grey.
