Description

Our Version of â??Thenâ?• takes place at Esplanade Concourse on Tuesday, 19 May 2026, with free 6.45pm and 7.45pm sets by Karyn and Sheng Li. The duo strips Singapore Mandopop favourites from the 1990s and 2000s into a relaxed keys, guitar and vocal session.

This is a good low-commitment lifestyle pick if you are already around City Hall or Marina Bay after work. It is free, indoors, and short enough to pair with dinner nearby.

Who Is Performing

Karyn has hosted radio shows on Mediacorp LOVE 972 and was nominated at Star Awards 2024 for Battle of the Buskers. Sheng Li, also known as guitarstreet, won UFM100.3â??s inaugural busking competition.

That mix makes the show feel like a bridge between local radio nostalgia and Singaporeâ??s busking scene. The song choice should work best for listeners who grew up with Mandopop from the 1990s and 2000s.

Planning Notes

Arrive early if you want a clearer view at the Concourse. Free Esplanade performances do not require a ticket, but seating and standing-room comfort depend on crowd size.
