PastaMania has put four Christmas dishes on its menu from 16 November to 31 December 2026, and the cheapest of them is a dessert: a S$9.90 Pistachio Kunafa Pizza.

The line-up runs under the name Holly Jolly Pasta Christmas! and covers one pasta, two pizzas and a bake. Prices run from S$9.90 to S$16.

The kunafa pizza

Kunafa is the Middle Eastern dessert built on fine shredded pastry, and PastaMania turns it into a sweet pizza. The Pistachio Kunafa Pizza is topped with katifi, the shredded pastry strands, plus pistachio nuts, pistachio sauce and chocolate sauce, and costs S$9.90.

The savoury three

The Smoked Chicken Sausage Pasta, at S$13, comes with baby potato and broccoli in a shallot mustard cream sauce and is finished with a smoked chicken sausage.

The Black Truffle Honey Chicken Pizza is the only dish in two sizes: S$13 for a 7-inch and S$16 for a 10-inch. It carries fried chicken bites, pineapple, cranberry and baby rocket, finished with smoked aioli and truffle honey.

The Chicken Sausage Shepherdâ??s Pie, at S$16, layers minced chicken under creamy potato, then adds smoked chicken sausage, smoky pizza sauce and melted mozzarella. PastaMania frames it as a festive spin on a family classic.

Where you can order it

The festive menu is not available at the PastaMania Pronto outlets at Pioneer Mall, Toa Payoh and Changi Airport Terminal 2.

The dishes cannot be combined with other discounts, privileges or reward redemptions, and that includes the TriplePlus programme.

PastaMania keeps the right to change the terms without notice.
