Description

[Pizza Hut Singapore](#) brings back its Large Pan pizza takeaway deal at S\$10 on Tuesday 8 September and Wednesday 9 September 2026, down from the usual S\$35.05.

That is a S\$25.05 cut, or about 71 per cent off the listed large price, for walk-in takeaway and self-collection only. Dine-in and delivery are out. The pan crust is the only crust on the deal, and each transaction is capped at two promotional redemptions while stocks last.

Which flavours sit at S\$10

The S\$10 list covers BBQ Chunky Chic, Very Beefy and Chic Ham & Shroom. Otah Laksa needs a S\$1 top-up, so that pie lands at S\$11.

The same six-day run already covered 25 and 26 August and 1 and 2 September. Only 8 and 9 September remain on the calendar.

How to order

For app or web self-collection, open the Pizza Hut app or pizzahut.com.sg, choose Self-Collection, then pick the deal under Hot Deals. Walk-in takeaway at participating outlets works the same day, all day, while promotional stocks last.
