Description

Plaza Singapura is handing out up to S$30 in eCapitaVoucher for shopping you were probably doing anyway, and the Plaza Singapura eCapitaVoucher rewards run until 30 November 2026. It is called More of Every Moment, and it sits across food, fashion and home and tech stores in the mall at 68 Orchard Road, next to Dhoby Ghaut MRT.

The catch is that the pools are limited and the rules are fiddly, so here is the short version of what you need to do.

How the Plaza Singapura eCapitaVoucher rewards work

There are three reward tiers, each tied to a type of store. You must be a CapitaStar Rewards member, and employees of Plaza Singapura retail tenants are excluded.

- Taste & Play: spend S$80 across same-day transactions (each at least S$20) at participating food and beverage or hobbies and leisure stores, get S$6. First 1,500 shoppers.
- Style & Stride: spend S$120 on a single receipt at participating fashion and sports stores, get S$10. First 1,500 shoppers.
- Live & Connect: spend S$300 on a single receipt at participating home and furnishing or electronics and technology stores, get S$30. First 700 shoppers.

You can earn one reward per tier per day. The vouchers can take up to 7 working days to land, and the eCapitaVoucher wallet holds up to S$1,000, with extra rewards queued.

Payment rules you should not skip

Link your payment method in the CapitaStar app before you pay, not after. The qualifying options are eCapitaVoucher, Mastercard, DBS/POSB, Kris+ and ShopBack Pay.

Gift cards, vouchers, SISTIC, AXS/SAM, bill payments, pushcarts and deposits do not count. UOB Mastercard via Apple Pay is also excluded, which will catch out a few people at the counter.

The vouchers themselves can be redeemed only through the CapitaStar app, from 10am, between 1 and 30 November 2026.

Where to spend: the participating stores

Taste & Play is the easiest to hit, since S$80 is one decent meal for two. Participating stores include:

- Food: Bashu Sichuan Cuisine, BIZEN Wagyu & Salad Bar, CÃ´ Chung, Genki Sushi, KE MING, Mukai, Nanjing Impressions, PM+ by Pizza Maru, SEORAE JIB and Tavola Aperta.
- Play: Fun Station and GameMartz.
- Fashion and sports (S$120 tier): balabala, ECCO, LI-NING, Love & Bravery, Mothercare, Samsonite and The Travel Store, among others.
- Home and tech (S$300 tier): AKEMI, Bed Bath Nâ?? Table, HOOGA, novita, Origin, Spotlight, Bally Photo Electronics, Challenger, HONOR, Insta360, Propeller and Stereo.

Extra in-store perks worth stacking

Several tenants have their own offers on top of the voucher. These are the ones listed on the mall page:

- Mukai: a complimentary Asahi beer with a qualifying sashimi platter, and a Feast for Two at S$45.
- Nanjing Impressions: Premium Hairy Crab Duo at S$46.80.
- Samsonite: up to 30% off selected styles, plus 5% more for DBS/POSB cardholders.
- Spotlight: 50% off Football Theme quilt cover sets.
- LI-NING: 15% off two items, 20% off three items.
- Bally Photo Electronics: 5% off PGYTECH products.
- ECCO: a free shoe bag with regular-priced shoes. HOOGA: a free keychain with S$45 spend.

How to get the most out of it

The Style & Stride tier is the sweet spot if you need a suitcase before the year-end holidays. A suitcase from Samsonite on a single receipt should clear the S$120 bar, and DBS/POSB cardholders get the extra 5% off too. The card, the store offer and the mall reward all line up.

Because the pools are first come, first served, spend sooner rather than on the last weekend of the month. Keep your receipts, and check the CapitaStar app for the voucher in your wallet after a week.

If you are planning a Saturday errand run, pair this with the DBS PayLah! Saturday cashback for heartland shops. For other malls with spend-and-get rewards, see our guide to the Starbucks Bearista Christmas promotion at CapitaLand malls and our Black Friday sales roundup.

Full terms are on the CapitaLand More of Every Moment page. The organiser can change or cancel the promotion at any time.
