Anyone who does not complete the online acceptance by that deadline is treated as having rejected the offer. The portal also emails posting results when the offer stage opens.

What accepting locks in

A conditional offer still needs the usual polytechnic admission grades after results. Once you accept and later meet those criteria, the place is confirmed. You then cannot switch courses within or across polytechnics, and you stay out of JAE and other polytechnic admissions exercises.

DSA-JC overlap

Students may sit both Poly EAE and DSA-JC. Accepting both disqualifies you from both exercises unless one offer is rejected before the Poly EAE acceptance stage ends on 11 September 2026.

Withdrawal window

After acceptance, a separate withdrawal window runs from Monday, 14 September to Friday, 16 October 2026 on the same portal. Miss that date and the accepted course stays locked once results confirm eligibility.

Working-adult Poly EAE offers follow a longer acceptance line to 16 October 2026. The 8 to 11 September clock above is the O-Level and ITE offer window.

This is general information from MOE's published Poly EAE timetable, not advice on which course to take.

O-Level and ITE Poly EAE offers open 2pm on 8 September 2026 and close on 11 September 2026.
