

## Popeyes 1-for-1 Signature Chicken Supper Deal From 13 to 17 April Here's How to Score Late-Night Fried Chicken for Half Price

### Description

Night owls and supper enthusiasts, mark your calendars: **Popeyes Singapore** is rolling out a **1-for-1 Signature Chicken Combo** deal for late-night diners, running from **13 to 17 April 2026**. The catch? It is only available between **10pm and 2am** so this one is strictly for the after-hours crowd.

At just **\$10.80 for two Signature Chicken Combo meals** (the usual price for one), this is one of the better fried chicken promotions we have seen this month. If you have been craving that signature Louisiana crunch late at night, this is your chance to grab it at half price.

### What You Get

The **1-for-1 Signature Chicken Combo** includes Popeyes' famous crispy fried chicken known for its bold, cajun-seasoned flavour along with a side and a drink. You pay for one combo at \$10.80 and get the second one free. That works out to just **\$5.40 per person** for a full combo meal, which is exceptional value for quality fried chicken.

Popeyes' Signature Chicken is marinated for at least 12 hours in a blend of Louisiana seasonings before being hand-battered and fried to order, giving it that distinctive crunch and juicy interior that has built the brand a loyal following in Singapore.
