

POSB PAssion Run For Kids 2026: Save-The-Date Guide For Families

Description

POSB PAssion Run For Kids 2026 has opened its save-the-date page, giving families a clear calendar marker before full race categories and fees are released.

The event is set for Sunday, 25 October 2026 at The Promontory @ Marina Bay, with the run linked to the POSB PAssion Kids Fund and a family day-out format.

What Is Confirmed

- Date: 25 October 2026, Sunday.
- Venue: The Promontory @ Marina Bay.
- Race categories and fees: to be announced.
- The event page highlights race routes, an event village, family fun and support for children in the community.

The event combines family running with activities linked to the POSB PAssion Kids Fund.

What Families Can Expect

The 2026 page says to expect kids-focused races, a family carnival and activities built around healthy habits and bonding. It also references prior race distances such as 10km adult, 5km adult and youth, 1.2km child, 600m child, and 3.5km adult-and-child or youth formats, while making clear that 2026 details are still pending.

Parents should wait for the final 2026 categories before promising a distance to younger children. The practical planning now is date, location, school-term commitments and whether the family wants to run, walk or volunteer.

How To Build A Family Run Calendar

This fits families who want a cause-linked event rather than a pure performance race. It also gives children a lower-pressure path into running before they try more competitive formats.

For another family movement idea, LBRD has covered [Fort Siloso free day tours](#), while older family members can compare the event with the [Singapore International Marathon 2026 guide](#).
