

Post Malone Singapore 2026: National Stadium Ticket And Price Guide

Description

Post Malone Singapore 2026 plays the National Stadium on 25 September 2026.

For Singapore fans, the key checks are price tier, mobile-ticket rules, six-ticket transaction limit and whether any VIP package is worth the premium.

Before Sales Open

Log in early, confirm your payment method and decide whether standing-style energy or seated comfort matters more to you. Stadium-scale concerts can sell unevenly across categories, so having a second-choice section helps.

If you are buying for a group, settle the maximum price everyone accepts before the sale starts.

Venue Notes

The National Stadium is built for large crowds, but post-show exits still take patience. Use Stadium MRT if possible, or walk towards Kallang Leisure Park and nearby transport points after the main rush.
