PlayCourt dates and address

PlayCourt runs from 15 August to 22 November 2026 at 7 Science Park Drive. The wider ALLPLAY season at Geneo (1 and 7 Science Park Drive, Singapore 118221) runs from 11 August to 22 November. DesignSingapore Council marks free admission for the festival, with selected programmes ticketed separately.

The PlayCourt takes over the outdoor area at 7 Science Park Drive. It opened with familiar sports surfaces and has been adding design interventions that change how the space can be used. CapitaLand Development curates the season with OuterEdit, supported by DesignSingapore Council.

The PlayCourt is developed with architect Calvin Chua, play designer Edmund Zhang and sports facility specialists The Ark.

Pickleball on the PlayCourt

The PlayCourt programme flags a pickleball court among its active surfaces. Players are already using the blue and green hard court under the ALLPLAY branding, with a community board by Edmund Zhang that invites new rules and scores. Bring your own paddle and balls; equipment loans have not been confirmed.

Festival admission is free, with selected programmes ticketed separately. Check with the organiser for court access and booking arrangements before heading down.
