Halloween Horror Nights 14

HHN14 runs 7.30pm to 12.30am. A regular USS day ticket does not cover the night event. You need a separate HHN admission.

The theme centre is Karang Guni: The Cursed Collection, built around the karang guni figure as keeper of a cursed haul. Four haunted houses sit in the line-up: Karang Guni: The Cursed Collection; Singapore's Most Haunted: ON AIR, set in a broadcasting station; Chatterbox Charlie's Vaudeville Horrors; and Made in Hell: XL Robotics. Two scare zones run alongside them, The

Raveyard and Necropolis: The Serpent's Crossroads. Three live shows round out the night: The Scaremony, Club PanDEMONium and Nail the Beat. The event is not recommended for guests under 13.

Tickets start at S\$68 on non-peak nights and S\$78 on peak nights, with Mastercard rates at S\$63 and S\$73. Non-peak nights are 25 to 26 September and 1 to 3, 8 to 9 and 15 to 16 October. Peak nights are 10, 17, 22 to 24 and 29 to 31 October, plus 1 November.

A Frequent Fear Pass is listed at S\$156 for unlimited visits across the event nights. Frights for Two is S\$250. Express and Express PLUS add-ons are S\$89 and S\$119. Buy through the Resorts World Sentosa HHN14 page and Klook.
