Why go this week

The display comes down after 27 September, so weekday evenings and the coming weekend are the remaining windows for family photos before teardown.

VivoCity mall hours are 10am to 10pm daily at 1 HarbourFront Walk.

Getting there

HarbourFront MRT (CC29/NE1) exits into the mall. The Sky Park is on Level 3; combine a short visit with Sentosa Express connections downstairs if you are already heading to the island.
