Satay by the Bay last days: closes from 1 Oct for Wetlands by the Bay

Description

default watermark

Satay by the Bay at Gardens by the Bay has only a handful of operating days left. The waterfront hawker closes from **Thursday, 1 October 2026** for a refreshed dining strip under the Wetlands by the Bay project, so **Wednesday, 30 September** is the last full day on the current set-up.

Gardens by the Bayâ??s own notice is short: Satay by the Bay shuts from 1 October to make way for the new waterfront dining experience. Other dining options around the Gardens stay open while the refresh runs.

Hours while it is still open

On weekdays the drink stall runs **9am to 10.30pm** and food stalls **11.30am to 10pm**. Weekends are **9am to 10.30pm** across the board. The court sits on the Waterfront Promenade at **18 Marina Gardens Drive**. The listed contact is **+65 6538 9956**.

The published pitch is local plates with a bay view: BBQ chicken wings, chilli crab and satay among the usual waterfront orders. If you want one more evening under the current stalls before the Wetlands works begin, the window closes at the end of September.

Nearest MRT remains Bayfront for the Gardens approach. After 1 October, the Satay by the Bay page points diners to the wider Dine & Shop listings on gardensbythebay.com.sg while the waterfront strip is rebuilt.
