Now in its 7th edition, Sentosa GrillFest invites you to indulge in a wide array of local and international dishes spread across four vibrant zones.

When we visited, it was raining, but that didnâ??t stop us! We explored the festival under the rain and stars. Pretty romantic, donâ??t you think? Of course, it depends on your partner.

Before you start buying anything, I highly recommend signing up for the free **Sentosa Islander membership**. Why? Youâ??ll receive a $10 GrillFest voucher! Unfortunately, I only learned about this after spending $20 on an item. Donâ??t make the same mistake!

As it was raining, the outdoor seats were all wet. Thankfully, there was a sheltered pavilion where we could escape the rain.
