

## Sentosa Sensoryscape Street Entertainment: June 2026 Family Guide

### Description

Sentosa's street entertainment line-up gives families a lighter way to use Sensoryscape in June, especially if the day already includes the beach, dinner or a resort-area walk. The official Sentosa listing includes magic, mime and culture-themed performances on selected dates, rather than an all-day festival schedule.

For planning, the key listed slots include A Taste Of Culture on 30 May and 6 June from 7pm to 7.30pm, The Magical Toy Box on 30 May and 6 June from 6.30pm to 7pm, and Fantastic Force on 13 June from 7pm to 7.30pm. That makes the shows best treated as short evening add-ons.

### How To Use The Schedule

The performances are short, which is helpful for families with young children. You can build a simple evening around dinner, one performance and a Sensoryscape walk, instead of trying to keep everyone outdoors for hours.

Because the dates are specific, check the official listing before travelling. If the performance is the main reason for your Sentosa trip, arrive early enough for transport delays and crowd movement from the Beach Station or Imbiah side.

- Venue area: Sentosa Sensoryscape.
- A Taste Of Culture: 30 May and 6 June, 7pm to 7.30pm.
- The Magical Toy Box: 30 May and 6 June, 6.30pm to 7pm.
- Fantastic Force: 13 June, 7pm to 7.30pm.

A Taste Of Culture is listed for selected June dates at Sentosa Sensoryscape.

## Best Pairings

Pair the performance with a low-commitment plan. Families can walk through Sensoryscape, take photos, catch the performance, then decide whether to continue to the beach or head back to VivoCity. That keeps the outing flexible if it rains or if children get tired.

See Sentosa's official [street entertainment](#) page for the current schedule. For more easy outings, browse our [Things To Do](#) section.

- Good for: families, visitors staying on Sentosa and short evening plans.

- Nearest access: Sentosa Express and island shuttle routes.
- Bring water and plan a backup indoor stop if weather turns.

The Magical Toy Box adds a child-friendly performance stop at Sensoryscape.

Fantastic Force is part of Sentosa's June street entertainment schedule.
