What the code actually cuts

HSBCDEAL is S\$60 off per return nett ticket on all cabin classes. Two passengers on one booking can take S\$120 off in total. Taxes, fees and ancillaries such as insurance, excess baggage and seat selection are not discounted.

Adult, child and infant tickets can use the code; child and infant discounts are pro-rated on the checkout page.

Where you cannot use it

Southeast Asia destinations are excluded: Brunei, Cambodia, Indonesia, Malaysia, Myanmar, the Philippines, Thailand and Vietnam. Long-haul and other non-SEA points on the Singapore Airlines network stay in scope.

Flights must be Singapore Airlines-operated round trips departing Singapore. Codeshares, one-ways and open-jaw itineraries are out. Bookings are website-only on singaporeair.com with an eligible HSBC Singapore card at payment.
