Is It Worth It?

If you already fly Singapore Airlines regularly, topping up your KrisFlyer balance ahead of the December rush is a no-brainer. Award seats to popular destinations vanish fast during school holidays. Locking in miles now gives you more room to redeem later. Just be sure the stay dates and rates suit your plans.

As always, promotional terms can change, so verify the latest details on the official Singapore Airlines site before booking. Miles-savvy Singaporeans will not want to let this Singapore Airlines KrisFlyer promotion slip by. Happy travels, and may your next redemption be a business-class steal.
