POSTPONEMENT OF SINGAPORE DOG FESTIVAL 2026

In light of the ongoing haze situation in Singapore, we have made a decision to postpone the opening weekend of Singapore Dog Festival originally scheduled for 16 to 18 October.

The health, safety and wellbeing of everyone attending the festival is our utmost priority. Given the current air quality conditions and the nature of the event, we believe that this is the most responsible decision to safeguard our visitors, their dogs, exhibitors, partners and everyone.

Singapore Dog Festival 2026 will now officially open to ticket holders on **Friday, 23 October 2026.**

The remaining two festival weekends, **23 to 25 October and 30 October to 1 November**, are currently scheduled to proceed as planned, subject to air quality conditions.

Our team will continue to closely monitor the haze situation and air quality readings over the coming week, with contingency plans in place. Further adjustments be necessary. We will reassess the situation and provide timely updates through our social media channels.

For visitors who have already purchased tickets, please be assured that tickets remain valid for any of the remaining festival days, as tickets are non-refundable.

We understand that many of you have been looking forward to celebrating with us, and we sincerely apologise for the disappointment and inconvenience this may cause.

We would also like to thank our visitors, exhibitors, partners and the community for your patience, understanding and continued support.

For any enquiries, please feel free to reach out to us via our Direct Line or email us at events@atomic.events

We look forward to welcoming everyone to Singapore Dog Festival once conditions are safer for all. In the meantime, please stay safe and take care of yourselves and your furry companions.
