Ticket Notes

NParks lists Singapore resident rates, with proof of residency and a local bank card possibly required at admission or purchase. If proof cannot be produced, ticket upgrades may be required.

Bulk buyers can enquire for up to 25% discount when purchasing 30 or more tickets. That is useful for schools, community groups, gardening clubs and companies planning group visits.

Special Programmes

The Floral Windows to the World Championship Finals Dinner is listed at S\$350 on 6 July, including admission to Singapore Garden Festival and Flower Dome from 4 to 7 July. A floristry workshop with Ahti Lyra is listed at S\$450 on 7 July, with materials, tools and lunch provided.

Families should check whether they want a simple festival ticket or a programme-specific booking. The add-ons are priced for enthusiasts, not casual walk-in visitors.
