Better still, the evening bundle throws in vouchers you can spend on the spot. If you have been meaning to visit one of the world's largest oceanariums, this is the value-conscious moment to go.

What The Singapore Oceanarium Twilight Waves Deal Includes

The Twilight Waves bundle is built for late-afternoon visitors who want more bang for their buck. You get entry plus two vouchers with no minimum spend attached. Here is exactly what comes in the package:

- **1x Singapore Oceanarium ticket** with admission from 4pm.
