Fullerton Stay Three, Pay Two

The Fullerton Hotel Singapore sells three nights for the price of two when you book by 30 September 2026. Stay dates run from 1 December 2025 to 31 March 2027, with blackout dates.

Straits Club privileges for two cover champagne breakfast, afternoon tea, and evening cocktails and canapÃ©s. Book-direct extras include a best-rate guarantee and S$60 nett dining credits per stay for in-room dining and hotel-run restaurants at Fullerton Hotel and Fullerton Bay Hotel. Once confirmed, the booking cannot be cancelled or amended.

Carlton Stay & Unwind

Carlton Hotel Singapore lists Stay & Unwind from S$358 per room per night for a Studio Room. The package covers daily buffet breakfast for two, one bath bomb per night, a bottle of champagne per stay, and complimentary parking for one vehicle per room per day.

Carltonâ??s page keeps the offer valid for stays through 31 December 2026, with peak-season blackouts, full prepayment, and a non-refundable booking. Service charge and taxes sit on top of the stated rate.

Moonlit City Escape is the Mid-Autumn-tied short break with the mooncake sampler. Fullerton stretches further if you can book before 30 September. Carlton is the simpler city staycation still on the board for the rest of the year.
