Why SmÃ¶oy is worth a Tuesday detour

SmÃ¶oy's signature is its tart, Mediterranean-style frozen yogurt - lower in sugar than soft-serve and lighter than most ice cream alternatives. The pint format means you can take it home for a family dessert or share it across two friends in the store.

The brand counts itself as part of the better-for-you dessert wave, so the calorie-conscious crowd can lean in without too much guilt.

How to redeem the 1-for-1

- Walk into any participating SmÃ¶oy store between 12pm and 6pm on a Tuesday.
- Order two pints - flavour combos are up to you.
- Tell the cashier you are redeeming the DBS/POSB 1-for-1 pint promotion.
- Settle with a valid DBS or POSB card.
- Repeat next Tuesday - deal runs every Tuesday till 30 June 2026.

Best SmÃ¶oy flavours to try

- **Original** - the signature tart yogurt, lets you stack toppings cleanly.
- **Mango** - fruity, tropical, perfect for Singapore weather.
- **Strawberry** - classic crowd-pleaser, good for kids.
- **Pistachio** - nuttier profile, popular with the dessert-purist crowd.
- **Seasonal specials** - check the in-store board for limited drops.

Toppings are usually charged separately - fresh fruit, granola and chocolate chips work well across most flavours. If you are planning a family dessert night, the 1-for-1 pints make for a tidy ending without a per-pax cone queue.
