Planning a December staycation? The Somerset Clarke Quay Singapore opening is set for 15 December 2026, and The Ascott Limited is dangling up to 25% off best available rates for stays from 15 to 31 December 2026. It is the second Somerset-branded property in Singapore and takes Ascottâ??s Singapore portfolio to 22 properties, based on the companyâ??s announcement on 12 November 2026.

The address is 3 Clarke Quay, Singapore 179883, right beside Fort Canning MRT station. That puts the Singapore River, Boat Quay and Robertson Quay within an easy stroll, with Fort Canning Park just behind.

Somerset Clarke Quay Singapore opening: what you get

The fact sheet lists 245 units across 12 room categories, so this is a proper serviced residence rather than a boutique handful of rooms. Sizes run from 18sqm Deluxe Twin rooms to two-bedroom units of up to 71sqm, handy if you are travelling with the whole clan.

- Deluxe Twin (18sqm), Executive Twin (21sqm), Premier King (21sqm) and Premier Twin (22sqm)
- One-bedroom Executive (36-41sqm) and One-bedroom Premier (37-40sqm), both with a king bed
- Two-bedroom Premier (65sqm) with a king bed and a twin bed
- Wellness Room, Wellness Loft and Wellness Suite, plus One-bedroom and Two-bedroom Family Explorer Lofts

Ascott says selected rooms come with kitchenettes and in-room washing machines. The Wellness-Tech rooms add a pillow menu, blackout curtains, air purifiers and in-room water dispensers, which suits anyone who takes sleep seriously.

Otter slide and kidsâ?? play spaces

Parents, this part is for you. The property is built around family stays, with an Otter Play Area featuring a 7.8m tall Mama Otter Slide, designed by Playpoint, and an indoor Kidsâ?? Cloud Forest. The Family Explorer themed rooms bring bunk beds, welcome kits and discovery packs inspired by the Somerset mascot Cubby.

Other facilities include an outdoor swimming pool with a separate kidsâ?? pool, an indoor gym, a launderette, a bicycle park and resident lounges. Pets are welcome too, according to the announcement. Dining is covered by Straits Place, serving modern European, local and Asian-inspired dishes.

Somerset describes the stay as built on three pillars: harmony, family and sustainability. Ascott calls the property one of the global flagships for the Somerset brand. The opening campaign carries the tagline Discover Your Rhythm.

Opening offer and how to book

Ascott is offering up to 25% off best available rates for stays from 15 to 31 December 2026. It does not publish a sample nightly rate in the announcement, so check the final price on the booking page before you lock in dates. The offer page is at discoverasr.com/en/offers/grand-opening-escape.

Year-end is peak season, so the 25% discount is a decent lobang for a short getaway with a full kitchen and a washing machine. That matters when you are travelling with toddlers or relatives who pack heavy.

You Otter Know Instagram quest

Ascott is also running a clue-based Instagram quest called You Otter Know from 15 October to 14 December 2026. Prizes go to 505 participants and include return air tickets to Singapore, stay experiences and Ascott Star Rewards points. Details are at discoverasr.com/en/offers/you-otter-know, so be kiasu and check the mechanics before the quest closes.

Getting there and what to compare

The fact sheet puts the property adjacent to Fort Canning train station, so you can reach Orchard, the CBD or the airport without a car. If you are comparing other year-end stays, our pieces on the Mondrian Singapore Duxton end of year sale, the Season of Joy hotel bundles at Resorts World Sentosa and the Fairmont Singapore third night on us offer lay out the dates and savings.

Contact the hotel at frontoffice.scqs@the-ascott.com or visit www.discoverasr.com for room availability. Prices and availability can change, so confirm with Ascott before booking.
